

## 1 KILLED NEAR LEISS STATION LABOR DAY A. M.

Labor Day's toll of auto deaths came close to Mokena when on that morning about 9:00 o'clock, one person was killed in an auto accident.

According to State Police Patrolman Alex Schiffler and Robert Holecsek of the Blue Island state police station, a collision of two cars occurred on Route 6 a short way west of the Leiss gas station.

As a car going west was getting back on the pavement after running off on the shoulder it swung into the path of an oncoming car which hit the first car on the rear right and Mrs. Ann Sommerville, who was seated in the back seat received fatal injuries and died shortly after. Others in the car going west were the driver, Sam Sommerville, 50, husband of the deceased; and Mr. and Mrs. Adolph Rinck, ages 50 and 47. They and Mr. Sommerville were removed in ambulances to Silver Cross Hospital with serious injuries. The driver of the eastbound car, Ralph Ribbons, 44, of 713 Mohawk St., Joliet, and his son Ralph Jr., 20, were uninjured.

## Organist at Great Niece's Wedding

At the wedding of her great niece, the former Miss Muriel L. Mapes, and William K. Kilgore, held recently in Joliet, Mrs. Lydia Ryan of Mokena was the organist for the occasion.

Miss Mapes, who visits Mokena frequently, is the daughter of Mr. and Mrs. Paul Mapes of Joliet and Mr. Kilgore is the son of Mr. and Mrs. Glen B. Kilgore of Elgin. They were married in the First Lutheran church in Joliet August 12 at 3 o'clock by Rev. J. H. Goeken.

Mrs. Ryan played a 20 minute organ recital of nuptial music as the guests were arriving. Among the selections were: "Liebstraum," by Litz; and her own arrangements of "I Love You Truly," "O Promise Me," and "At Dawning." Mendelssohn's Meditation was another selection. The processional was Lohengrin wedding march and the recessional Mendelssohn's wedding march.

The new Mr. and Mrs. Kilgore are enjoying a honeymoon motor trip north, and upon their return will live in LaSalle, Ill., where Mrs. Kilgore will teach in the public school. Mr. Kilgore will be a part time teacher in the Purdue University and at the same time attend the university where he is admitted by a four year scholarship which he received from DeKalb state normal.

## REAGEN'S WILL DIVIDES HIS \$75,000 ESTATE

## Mission to be Held In St. Anthony's At Lincoln Estates

The first Mass held in the new St. Anthony's Catholic church in Lincoln Estates last Sunday was a most beautiful memorial event. Rev. Kenneth Gansman and Rev. Roch Heltinger offered up the first Mass. The sermon was delivered by Fr. Kenneth.

Special music was rendered by the choir of St. John's Catholic church of Joliet.

A mission will be conducted by Fr. Donald Dinn, army chaplain in this new church at Lincoln Estates, starting Sunday, September 12. The time of the Masses next Sunday will be at 8:30 and 10:30.

Fr. Benedict stated that all Catholics of Lincoln Estates and Frankfort are expected to attend the Mission services and that all non Catholics are invited and welcome to come and hear an inspiring lecture each evening at eight o'clock during the coming week of September 12 to 19.

## Peotone Carnival Sept. 10 to 12

It's Carnival week in Peotone. The novel carnival, which is held right in the business district of Peotone, gets underway Friday evening and will continue through Sunday night, September 10, 11 and 12, also Saturday and Sunday afternoons.

As in the past two years, a fine variety of vaudeville, band concerts and other entertainment has been planned. The highlight of Saturday evening will be a street dance, with Roy Gordon's orchestra furnishing the music. The midway will be bigger than ever, housing all the standard carnival rides.

The Peotone Chamber of Commerce will award 50 special awards during the 3-day festivities.

## LARGE CROPS PRESENT SERIOUS PROBLEM

It's up to the farmers themselves for the most part to meet the critical problem of providing storage for this year's grain, according to a statement made by Conrad Borms, chairman of the Will County AAA committee. This was the final decision made at the district grain storage meeting held in Dixon August 31.

Because of the indication of a harvest greater than available storage, especially of corn, the farmer faces two alternatives. Provide for storage on their own farms and be in a position to take advantage of price supports, or run the risk of trying to rapidly dump large amounts of grain on the market and thereby bring about chaotic conditions that the entire price support program might be jeopardized.

Under either plan, storage is a basic pre-requisite. The loan for corn which is expected to be around \$1.45 per bushel, won't mean much if the farmer does not have proper storage. On the other hand, if farmers do have adequate storage, they can make their own determination of how and when to dispose of their grain and can control the amount to be placed on the market.

The Agricultural Conservation association estimates that in Illinois alone there probably will be needed more than 130 million bushels of additional storage for just corn, and some of that is in Will county.

## WILMA MARK MARRIED TO KENNETH WISE

Misses Lillian Collins of Chicago and Mrs. Jake Hostert of Frankfort, became the bride of Mr. Kenneth Wise, son of Mr. and Mrs. Perry Wise of Lockport, Sunday evening, September 5, at 7:00 p.m. at a lovely candlelight service in the Frankfort Methodist church. The double ring ceremony was read by Rev. Lloyd Coleman. The church was prettily decorated with baskets of white and pink gladioli, palms and candelabra.

Miss Lillian Collins of Chicago Heights presided at the organ and accompanied Mr. Arthur Lambrecht who sang "Because" and "I Love Thee" preceding the ceremony and "The Lord's Prayer" during the ceremony.

Miss Barbara Jones of Chicago and Miss Mary Elizabeth Mark, cousins of the bride, were the junior candlelighters. They were gowned in frosted pink tulle with wrist corsages of mums. Mrs. Herbert Bixler, sister of the bride, was the matron of honor. She wore an autumn gold gown of frosted tulle with matching gauntlets tapered at the wrists. Her flowers were a novel bouquet of harmonizing mums and a headpiece of matching mums. Miss Doris Schifler and Mrs. Lewis Ebert, friends of the bride, were bridesmaids. They wore teal blue gowns and gaudy of identical style and material as that of the matron of honors. Their bouquets and headbands were also similar. The bride's attendants wore rhinestone necklaces, which were gifts from her.

Sandra Johnson of Lockport, tiny cousin of the groom, was the flower girl. She wore a white frosted tulle gown with a mum headpiece and carried a white basket filled with mum petals.

The bride, who was given in marriage by her foster father, Jake Hostert, was gowned in white satin with an illusion neckline, tiny buttons down the back and long tapered sleeves. Her only jewelry was a string of pearls a gift of the groom. She carried a white Bible with a white orchid and Stephanotis attached to streamers. Her fingertip veil, lace-trimmed, was held in place by a beaded headpiece.

The best man was Ralph Fox of Lockport, a friend of the groom. Ushers were Herbert Bixler, brother-in-law of the bride, and Orville Schinkowski, friend of the groom.

A reception for about 250 guests was held at the bride's home, which was decorated with garden flowers. A three-tiered wedding cake, topped with a miniature bride and groom candies, and fancy candles, decorated the serving table, which was covered with a lace cloth. Miss Harriet Baade served the wedding cake. Miss Betty Mae Kratzenberg presided at the punch bowl, and Miss Jeanette Heuser presided at the silver coffee service. Pictures were taken at the church and home by Allen Johnson, cousin of the groom.

The bride's mother wore a burgundy dress and hat with black accessories while the groom's mother wore a forest green dress with winter white accessories. They both wore corsages of pink and white carnations.

When they left on their honeymoon to Minneapolis, Black Hills and Colorado, the new Mrs. Wise was wearing an aqua suit of gabardine with a shell pink feather hat, black accessories and white orchid corsage. They will reside with the groom's parents temporarily until their new home on east 7th street in Lockport is completed.

Mrs. Wise will continue her duties as a secretary at General Mills in Chicago while Mr. Wise will return to the offices of the Globe Oil and Refining company in Lemont.

Out of town guests at the wedding were from Milwaukee, Chicago, Flossmoor, Blue Island, Harvey, Lockport, Plainfield, Joliet, Coal City, New Lenox, Mokena, Monee and Crete.

Preceding the wedding, on Friday night, Mr. and Mrs. Jake Hostert entertained twenty three members of the wedding party at a buffet supper. A rehearsal followed the supper. Pre-nuptial parties were given for Miss Mark by Mrs. Herbert Bixler, Mrs. Lewis Ebert, Mrs. Wm. Batson, Miss Harriet Baade and Miss Doris Schifler and co-workers at General Mills, Inc.

## 12 MEMBERS OF CO. RURAL CHORUS GO TO TORONTO

The following members of the Will County Rural chorus sang with the state rural chorus at Toronto, Canada last Saturday night: Mr. and Mrs. Ed Berens, New Lenox, Florence and Naomi Glasscock of Joliet, Mildred Davis, Joliet; Mrs. Ernest Eaton, Joliet; Doris Hinspeter, Frankfort; Gladys Mae Kratt, Manhattan; Mrs. Louise Lovell, Wilmington; Monna Milton, Lockport; Mrs. Marie Warner, Wilmington and Marion Woodcock of Manhattan.

Arthur Eneis of Lockport, director of the Will County Rural Chorus, which represented northern Illinois choruses at the Illinois State Fair, has announced that no more rehearsals will be held until October.

At that time, the chorus will start rehearsal on new music to be used in a program in December. He states that any one of high school age or who would like to join the chorus starting in October should leave their names at the Farm Bureau office in Joliet in order that they may be notified of rehearsals. He is especially interested to secure more men, both basses and tenors for the chorus.

## WARNING TO DOG OWNERS IN NEW LENOX

At the New Lenox Village Board meeting held in the school auditorium last Wednesday evening, the quarantine of dogs was discussed at length.

The village of New Lenox has been cooperating with the State Board County Board of Health rules since the latter put a quarantine on dogs August 1. That ruling was that all dogs must be kept tied until such time that the quarantine is lifted.

Owners of dogs in the village at once obeyed this ruling at that time, but of late they have become rather lax and many dogs are running loose again. The village officials decided that dogs must not run loose and Amos Bruns, village police and health officer, has announced that the Will County health warden will come to the village and pick up all dogs running loose, and place a fine against the dog owners.

There were 103 New Lenox dogs inoculated for rabies in New Lenox clinic, and some owners took their dogs elsewhere for the inoculation. There are about 250 dogs in the village.

This ruling cannot be stressed too much, for if a person is bitten by a dog having rabies, it is very serious as there is no cure for the disease. It therefore behooves all dog owners to keep their dogs tied, if they do not want to lose them and also pay a heavy fine.

## Ev. Women's Guild Convention To Be In Pekin, Sept. 15-16

## TINLEY PARK FIREMEN AVERT NEAR TRAGEDY

Tired, but happy people worked faithfully through the Tuesday morning mist, to clean up the debris left by a record-breaking crowd of holiday merry-makers that packed the grounds of the Community Festival at Memorial Park in Tinley Park. The three day affair put on in true Tinley Park style, drew an attendance of 10,000 according to the official register on the grounds. Although bills and receipts are not completely tallied, all agreed the affair was a huge success.

Near tragedy threatened to wipe out profit, and brought out the Tinley Park Fire department for their second call Tuesday morning at 1:00 o'clock, when the pop corn wagon, in pulling away, snagged the main electrical wires supplying the booths causing a short circuit. Immediately the wires in the bingo tent turned red and the insulation burst into flames. Prizes and merchandise from all concessions were stored there and losses would have been terrific. Fortunately, quick action on the part of workers held the conflagration to the wires and no great loss was experienced. Selby Hirsch and electrician Harold Meyers pulled the main switch at the poles, cutting off all power while Fred Zimmerman, Alfred Thieman, Al Reder, Carl Bockstahler, Walter Fierke, Brown Campbell, Don Mason and men from Miller's Enterprises and others beat out the flames on the wires, preventing the spread of flames to the tent material.

After the parade on Oak Park avenue on Labor Day the fire ladders answered the first alarm when a short circuit in the green Nash sedan of Frank Jeffords burst into flame. Instant response by Tom Cooper of Orland, who was driving directly behind Mr. Jeffords, produced a hand fire extinguisher from his car and put out the blaze. Damage to the car has not yet been estimated.

Undaunted by rain of near cloud burst proportions, marchers readied for the parade at noon. With clocklike precision, Ray Jacobs and his loyal supporters, went into action immediately when the rain stopped and the spearhead of the parade moved out on schedule at 2:30 o'clock.

The many beautiful flower-decorated floats and impressive individual marcher's pieces, told all onlookers how great is the feeling of the residents for their home town. As they circled the field to a semi circle before the revealing stand the judges were faced with the difficult problem of seeking winners. Cash prizes and merchandise contributed by local merchants were awarded. The flowers from the beautiful floats were taken to the Oak Forest hospital to make those people happy.

The Baking contest presided over by Mrs. Jeffords, the members of the home bureau and 4-H club organizations, attested to the culinary skill of the ladies. The judge Mrs. Upham, awarded first prize, a string of pearls, to Mrs. Esther Hug for her taste-teasing custard pie. Second prize of \$3.00 in merchandise to Mrs. Dick Wille, Jr., for Parker house yeast rolls. Third prize was a tie between luscious apple dumplings and an inviting pan of apple slices. Mrs. Jeffords having made the apple slices, she graciously withdrew from the contest to simplify selection of the winners.

Brown Campbell, master of ceremonies, who acted as auctioneer, had a difficult time keeping his mind on the sale as he presented delicious angel and devil food cakes, upside down cakes, cream pies, fruit pies, cup cakes and other fine articles. The bidders complimented the makers of each and every article in their spirited bidding and high prices paid.

Appetites and tastes of the merry makers were further indicated by the huge patronage enjoyed by the refreshment stand. Space will not permit individual mention of the ladies who worked early and late straight through the carnival with Mrs. Burleson, but there is no question but that this stand was one most frequented on the grounds.

The visitors were unanimous in their praise of the many free entertainments presented among which was the splendid rodeo show, and this was borne out Sunday night at 11:00 o'clock.

Farms who have not already made use of the Will County Farm Bureau soil testing laboratory should make plans now to get soil samples picked up and into the laboratory. Since it takes several weeks to get results back to the farmers after soil samples are brought to the laboratory in Joliet, Wayne Churchill, Farm Adviser, suggests that everyone who possibly can, should take their samples this fall so that they can be tested during the late fall and winter season. Farmers who follow this program will receive their results in time to order their fertilizer and plant food needs for spring delivery.

The service is operated on a cost basis by the Will County Farm Bureau.

**Telephone tips****How to place a Long Distance call correctly**

Suppose that right now you want to call some distant part of the United States. How long do you think it would take?

If you'd say "two minutes," you'd be just about right! Two minutes is all it takes, on the average, to connect you to any telephone in the country, or give you a report on your call.

Some calls go through even faster if you place your call correctly.

**LIKE THIS**

Say you want to call Philadelphia. First thing you do is ask the operator for "Long Distance." (From a dial telephone dial "0" for Operator.) Give the name of the called town first, then the telephone number and the name of the person you are calling. Like this:

"Philadelphia—Walnut 2—0100 (pause)—Mr. A. D. Jones."

Placing your call this way means faster service since with your first word (the name of the city), the operator is "connecting" your line to the line of the city called.

If you merely want to be connected with a certain number, say:

**"PHILADELPHIA — WALNUT 2—0100"**

This type of call costs less because you are willing to talk to anyone who answers.

If you don't know the telephone number, just give the Long Distance operator the town name, the name and address of the person, business or organization you are calling.

DON'T say, "I want to place a Long Distance call to . . ."

DON'T give your own number to the operator until she asks for it.

**FOR FASTER SERVICE**

Following these simple suggestions will help speed through your calls. We're installing new switchboards and hundreds of new circuits to give wings to your words out of town. We're trying to make your service faster, more dependable, always friendly.

From where I sit . . . by Joe Marsh

**One Great American Trait**

I always think it does a newspaper editor good to get out from behind his desk and see how folks in other parts of America look, and think, and act.

And that's what I've been doing these past weeks, touring the country from Michigan to Texas, California to Maine. It's a mighty encouraging experience. Not only because of the different points of view you run into—but because of the tolerance which reconciles those different points of view.

I mean the tolerance of a Penn-

sylvania farmer for the habits of his city cousin; the tolerance of folks who vote one way towards those who vote another; the tolerance of those who prefer spring water towards those who enjoy a moderate beverage like beer.

From where I sit, it's that great American trait of tolerance—respect for individual tastes and liberties—that makes this country strong. Let's never lose it!

## IN MEMORIAM

KNIPPEL, Catherine—In loving memory of my wife, our mother and grand mother who passed away one year ago, September 10.

In our hearts there is no other Since that sad day you passed away.

All your life you worked and suffered,  
Just when things looked the best  
You closed your eyes and left us  
For the home of eternal rest.

A happy home we once enjoyed,  
How sweet the memory still;  
But death hath left a loneliness  
This world can never fill.

LOVING HUSBAND, CHILDREN  
and GRANDCHILDREN

## IN MEMORIAM

HEISNER, OTTO B.—In loving memory of our dear husband and father who passed away two years ago September 7.

From our happy home circle,  
God has taken one we loved  
He is home away from sin and sorrow  
To a nobler rest above.

No one knows how much we miss him,  
None but aching hearts can tell  
Lost on earth but found in Heaven  
Jesus doeth all things well.

YOUR OLD FLAME HAS THE New Look!

...Better Baking with a  
modern GAS range!

YOU'LL FIND every baking session ends with success . . . when you have a modern GAS range. There's no guesswork—no mathematics involved. Accurate temperature controls give you the exact shade of steady heat you want . . . without hot spots. The ovens of the new ranges are ventilated for uniform baking . . . thickly insulated for a cooler kitchen and lower fuel bills. A minute minder ticks off the time and lets you know when food is done. Some new ranges have two ovens . . . you can use one for baking and one for roasting. Others have one large oven . . . plenty big enough for an entire, economical oven meal.

You can have automatic oven cooking with your new GAS range, too! While you spend the afternoon shopping, a dependable clock control turns the oven on . . . maintains the correct heat until the meal is done . . . and turns the oven off—automatically! Some ranges have a glass window in the oven door . . . you can see what's cooking from the outside looking in. And, of course, the oven—like the burners and broiler—lights automatically!

The New Look in GAS ranges means new beauty plus greater economy. You'll like the rounded edges, sparkling white porcelain, and flush to the wall and floor construction. Yes, combined with their new good looks, to-

day's GAS ranges offer added dependability and economy. So no matter which features you're looking for in a range . . . you'll find GAS has everything! Now you can replace your old range with one that's even more efficient.

## Lard Added To CARE Packages Now

A new package to help meet one of the greatest single needs of undernourished European families—a 10 pound package of lard—was announced today by Miss Jane Doniger of the Chicago Committee for CARE.

At the same time, Miss Doniger made known that CARE was withdrawing its cotton package. She explained that this step was in line with CARE's policy of responding to changing conditions overseas. She said that the cotton supply in Europe is steadily improving and that production there makes it unnecessary for CARE to continue offering its cotton package.

The new lard parcel is being offered at \$5.50 and orders may now be sent to the Chicago Committee for CARE, 189 West Madison street, Chicago 2, with delivery guaranteed in Austria, Belgium, Czechoslovakia, France, Great Britain, Hungary, Italy, Netherlands, Poland and the American, British and French zones of Germany.

For the city of Berlin, the price of

the package has been set at \$6.50 since CARE is unable to maintain its customary stockpile there as a result of the blockade, and the packages must be flown in from Frankfurt. The lard packages will be flown into Berlin regularly along with CARE's standard food packages, whose price is now \$12.50 due to flight costs.

The product contained in the new parcel is called "Swift'ning" and aside from the fact that it will place a long missing necessity on European tables, it has qualities that make it especially suitable for long distance shipment and storage. "Swift'ning" requires no refrigeration and will not turn rancid.

CARE's addition of the lard package is the result of surveys disclosing that the lack of fats remains one of Europe's most serious nutrition problems. These findings were confirmed by Executive Director, Paul Comly French, on a recent trip to Europe, where he conferred with CARE Chiefs of Mission in various countries.

As is the case with all other CARE packages, the lard will be admitted to Europe without duties or taxes of any kind, and the recipients will lose no part of their regular rations. It may be sent to relatives or friends or designated groups.

Other packages offered by CARE, at \$10 each, are standard food; special food for Italy, Greece, Britain and Japan; Kosher food, baby and infant food; woolen, blanket and layette, household linen and knitting wool packages.

The oyster often produces more than 60 million eggs a year reports the World Book Encyclopedia.

## INKLINGS

By Jarvis

"What a salesman! He sold me a pair of rubbers to fit over my galoshes!"

NATIONAL PRESS BUILDING  
WASHINGTON, D. C.

By Anne Goode

The last word in shopping comfort comes from a Houston supermarket where self-service customers can sit in a chair and pick their food from a moving belt passing before them.

Remember to save your old summer nylons. Then when cool weather comes you'll be glad, because they can be dyed the lovely deeper colors, the "inky" tones, with all-purpose dye.

Close-toe shoes are outselling the popular open-toe styles in the high price lines, we hear. But nothing replaces the well-kept shoe, so remember to keep all your footwear well shined and brushed.

If you like that tender and so good member of the squash family, zucchini, try preparing this way: slice and saute in vitaminized margarine in a skillet with cubed tomatoes and diced onion.

To remove onion odor from hands, rub with salt immediately. Or perhaps you'll want one of those choppers that's on the market now. It's a covered glass cup with inside chopper. Prevents "weeps" and finger stain.

Enjoy that Sunday breakfast! And to get away from the usual bacon and eggs team, add baked tomatoes to the menu. Just cut off the tops and season with salt and pepper, a bit of vitaminized margarine and they'll bake while you're doing the rest.

## Chicago Children Have Country Outing

By the time school bells ring again, more than 4,500 Chicago and suburban children—most of them underprivileged—will have played "farmer" for a day as guests at the Libertyville, Illinois farms of one of Chicago's major dairies, according to the company's public relations director.

For more than 3,000 of the 3 to 14 year olds, it was the first time outside the city limits and the first time on a farm.

On the 7-square mile layout, the guest "farmers and farmerettes," in a deer grove, fed wobbly-legged fawns and huge, proud bucks. Shaggy-hooved Clydesdale draft horses, palominos and spirited, heavy harness horses performed for the children. Jumping around in haystacks, visiting with their country brothers, feeding pigs, watching cows being milked, chasing frogs and trying to snare wild and tame ducks comprised the daily tours of education, recreation and fun for the little folks.

Among the social service organizations and clubs whose youngsters have visited the farm are: Hull House, Erie Neighborhood House; Off the Street club; St. Rose Social Center & Kindergarten; Chicago Boys club; Northwestern University Settlement; Big Sisters; Benton Settlement House; Ridge Farm Preventorium; Marks Nathan Hall; Angels Guardian Orphanage; Rogers Park Boys club; Association House of Chicago; St. Hedwig Industrial school; Olivet Institute; Badko-The Yards club; Ulich Children's home Newberry Avenue Center; Union League; Madonna Center; CYO; Our Sisters at St. Mary of Providence; Blackhawk club and Day camp; Halsted street Institutional church; Suburban Boys club; Playright Day camp; Boy Scouts of America; Valentine Boys clubs; Elmwood Park school; Murphy school; Highland Park and Deerfield Cub Scouts; Sun Air Play camp; Indian Trail Day camp; Gils school; University of Chicago Settlement; and Ray School of Photography.

A prospective Illinois corn crop of 525 million bushels, with a yield of 58 bushels an acre, and a winter wheat yield of 24.5 bushels an acre are all-time highs.

## Winners of Republican Slogan Contest Named

Mrs. Harry Babbington, 1936 East Marquette Road, has been awarded sixty dollars as first prize winner of the "Women Only—Slogan Contest", adding 25 words or less to the unfinished sentence: "Every woman should vote the straight REPUBLICAN ticket because...."

Mrs. Babbington's prize-winning ending to the sentence read: "Because women of America need freedom, security, and good leadership."

Second prize of \$25 has been awarded to Mrs. Alma McCabe, 1325 West Wilson avenue for finishing the sentence with "Because there's no straighter road to the ultimate good."

Third prize of \$15 went to Mrs. Sarah Harris, 407 South Trumbull avenue, who wrote:

"The country now must face its fate. So vote the Republican Ticket straight!"

The contest was conducted under the auspices of the Women's Division of the Republican Central Committee of Cook county, Irene B. Reidy, chairman at the Republican Women's Holiday held at Sportsman Golf Course on the 28th anniversary of Woman Suffrage.

The prizes were given by William J. Balmer, Walter E. McCarron and Paul C. Ross, all Republican candidates for Trustees of the Sanitary District of Chicago. The prize-winning entries were chosen from hundreds of slogans submitted.

## Town and Country Fashions

By VI VENNETTI

"The Best Things in Life are Free?" There are so many kinds of riches and not all of them are gold, if you happened to be at the recent local Woman's club musical (Markham) you heard this refrain and at the time, I thought well it really is the truth but how many times we feel that gold comes in mighty handy and so....

Vi Vennetti

**YOUNG LADY AND YOUNG MAN—** After you have polished up your best manners, your best health rules and the determination to get the best education and the most for your Dad's or your own hard earned vacation money).

**IT'S TIME TO LOOK AT OUR JUNIOR REPORT—**

The junior fashion report for Fall is a more colorful story than we have seen for many a season. Coppery tones, subtle grayed color rich jewel tones, and gay prints are a real competition for the old-stand-by-black.

**MATCH-MATES COMING UP—**

One of our foremost knitting mills is making a novelty sweater and is to be worn by sweethearts so be sure when you and your current campus crush

blossom out in Sweetheart sweaters it is a full-semester love because if it isn't everyone will know we're out of love. (Make a nice song theme-eh Lil?)

Best bets in the junior show: Jacquard taffetas, simple in silhouette because the colors and fabrics speak for themselves, Joanne Junior is wearing one in either green, copper, wine or royal.

Printed velveteens: in turkey red, purple and royal.

Solid velveteens: (20 years younger we'd say they are solid senders) come in taupe, burgundy, grayed royal, soft moss green, and gold are shown to advantage in a collection of young junior late dresses.

About the only thing this country got out of the dove of peace was the bill.

## Krohn-White Wedding

Rev. Milton Heitzman officiated at the wedding of Miss Eileen Krohn and Norman White on Sept. 4, at seventy-three o'clock in the First Congregational church at Lockport.

The bride is the daughter of Mr. and Mrs. Chris Krohn of Homer.

Preceding the ceremony Miss Elaine Ott sang "Because," "Through the Years" and "Always." She was accompanied by Miss Betty Lou Taylor of Joliet.

The bride was very attractive in a gown of white satin with a long train. It was made with an illusion neckline, the sleeves were fitted coming to a point at the wrist.

Her finger tip veil was held in place with a tiara of seed pearls. She carried a colonial bouquet of white carnations.

Mr. Krohn gave his daughter in marriage.

Miss Shirley Smith was the maid of honor. She chose a gown of perry-winkle blue taffeta with an illusion neckline and a bertha collar, it also had short sleeves and a bustle back. She wore long taffeta mitts. Her head piece was pink carnations. She carried a colonial bouquet of pink and white carnations.

Mrs. Helen LaBare, cousin of the bride was her bridesmaid, also Miss Bernice Vahte served as junior bridesmaid. Their gowns were dusty rose in color and made identical to the maid of honors. They wore white carnations in their hair and carried colonial bouquets of pink and white carnations.

Glen White served his brother as best man. Russell Lindstrom and August LaBare were ushers.

A reception followed the ceremony at the Moose hall.

A black crepe dress with white and black accessories and a corsage of white gladioli were worn by Mrs. Krohn for her daughters wedding, while Mrs. Marian White, mother of the groom, wore a brown and white crepe dress with brown accessories and a corsage of white gladioli.

The bride and groom left for a northern honeymoon for two weeks.

Out of town guests present at the wedding were from Joliet, New Lenox, Hinsdale, Chicago, California, New Jersey and Ind.

Royal Neighbors will meet Sept. 16 in the home of Mrs. Wm. Timm with Mrs. Mary Welter, Mrs. Madeline Welter and Mrs. Josephine Jungles assisting.

Mr. and Mrs. LaVerne Kasper and daughter Beverly left Thursday for their home in Phoenix, Ariz., after spending the summer with relatives here.

The names of Mrs. David Bier and Frank Loucks were omitted last week from the list of those who attended the folk festival at Urbana.

Miss Ria Rodgers sang a solo at the Homer church Sunday. The junior choir also presented a number.

Guests of Mr. and Mrs. Clarence Rowley at dinner Sunday evening

were Mrs. Marie Ott and children Elaine, Frances and Edward, also Mr. and Mrs. Elmer Rowley and family. Mrs. Elizabeth Anderson is spending two weeks with Mrs. H. M. Carl who is ill in her home at Columbus, Ohio.

Mr. and Mrs. Richard Carlson and Mrs. Tena Carlson were guests of Mr. and Mrs. Raymond Carlson and sons Sunday.

Dottie, Dale and Don Anderson of New Lenox are spending several days with Mr. and Mrs. Bruce Anderson and children.

### Busy Beavers 4H News

The Busy Beavers 4H club, under leadership of Mrs. Dick Wille, Jr., met two evenings last week to prepare the float they entered in Labor Day parade.

The float was decorated with crepe paper streamers of the 4H colors, green and white, and lavish displays of flowers. Evelyn Brandau's Cook County's 4H prize demonstration table was set on the float and her muffins were tossed to some of the spectators. The other girls walked behind carrying a sample of their quick bread project, wearing their prize ribbons and green aprons. This float was awarded a second prize of \$3.

Much credit should be given Glenn Nieland who supervised the construction of the float and gave many hours of his time; also to Mrs. Fred Stuckey who furnished most of the huge bouquets of flowers.

The Busy Beavers can well be proud

## Named to Head March of Dimes

William E. Fay

William E. Fay, prominent Joliet business and civic leader, has been appointed Illinois State Chairman of the 1949 March of Dimes, Basil O'Connor, president of the National Foundation for Infantile Paralysis, announced today. It is Mr. Fay's sixth consecutive year as head of the fund raising campaign in Illinois.

The March of Dimes, conducted nationally each January, is the sole support of the National Foundation and its 2,800 local county chapters. Funds contributed to the annual drive pay costs of medical care and treatment for polio victims and finance the scientific research and professional education programs sponsored by the National Foundation. The 1949 appeal will be held January 14-31.

Mr. Fay, long active in the business and civic life of his community, is president of the Champion Machinery Company, since 1921 a nationally known manufacturer of bakery equipment. He is a director of the First National Bank and a member of the Illinois Chamber of Commerce and the Will County Manufacturers' Association.

Mr. O'Connor, in announcing Mr. Fay's acceptance of the March of Dimes chairmanship, revealed that when complete incidence figures for this year are tabulated the toll of infantile paralysis in the United States from 1943 through 1948 may well exceed 100,000 cases.

"While the final answer to the mystery of poliomyelitis—the discovery of a cure and a preventive for the disease—lies in the research laboratory," Mr. O'Connor said, "the generous support of the American people is now more vital than ever before if victims of polio, children and adults alike, are to receive the care they must have to achieve maximum recovery."

of their quick bread exhibit at the recent 4H fair. Blue ribbons were awarded to Evelyn Brandau on her exhibit of muffins; Alice Ginther, nut bread; Jo Ellen Jeffords, baking powder biscuits; Lucile Brandau, quick coffee cake, Francine Galiena. Red ribbons were awarded to Constance Harding, quick bread; and Faye Callis, baking powder biscuits. Evelyn Brandau won a blue ribbon for demonstration on muffins. The following won red ribbons on their demonstrations: Alice Ginther, nut bread; Constance Harding how to measure flour; and JoEllen Jeffords, baking powder biscuits.

## Paul Harvey To Speak at Farmer's Meet Sept. 18

Announcement has just been made by officials of the Will County Cooperatives, Inc. that their annual meeting committee has just secured Mr. Paul Harvey, noted news analyst, radio station WENR, to present the main address to the Cooperatives' annual meeting, Saturday, September 18. The meeting starts at 10:30 a.m. and will be held in the American Legion hall in Joliet.

Mr. Frank R. ## TINLEY SOLDIER REACHES FINAL RESTING PLACE

After waiting several weeks, Mrs. Augusta Lucius of Tinley Park, was notified by the government that the body of her son, Pfc. Milton Lucius will arrive in Tinley Park today, for final burial.

Pfc. Lucius who was killed in action in the Philippine invasion, on the island of Luzon, February 2, 1945, was born December 5, 1922 in St. Joseph, Mich. and moved to Tinley Park with his family when he was six years old. He worked at the Oscar Meyer company in Chicago previous to his induction in the army, February 18, 1943 at Camp Grant. He was sent to Fort Benning Ga., for his basic training. October 17, 1943 he was sent overseas and at the time of his death was 22 years old.

Three sisters, Mrs. William Habich, Surviving beside his mother, are Mrs. Stanley Klaviter and Mrs. Charles Thomas; two brothers, Arthur and Melvin.

The body which has been resting in the Santa Barbara cemetery in the Philippine Islands, will lie in state in the Hirsch Funeral home in Tinley Park this afternoon until Saturday at two o'clock. In charge of the final funeral services at that time will be the WVF of Tinley Park with Rev. Fred D. Schandorf, pastor of the Tinley Park Methodist church officiating. Interment will be in Evergreen Memorial cemetery.

### CARD OF THANKS

We want to extend to all our friends and relatives our sincerest and heartfelt thanks and appreciation for their kindness in our recent bereavement. The expression of sympathy, the many beautiful floral offerings and the spiritual bouquets offered for both our boys, helps us to carry on.

THE N. F. HEIMAN FAMILY

Billy Bradley and Jim Needham entertained the choir members of the Methodist church last Friday evening at a weiner roast at the Bradley yard around the fireplace.

Mr. and Mrs. Donald Ambuehl and sons, Harold and Cecil and daughter Marilyn attended the capping ceremony of the former's sister, Miss Marie Ambuehl held in the Presbyterian hospital in Chicago Friday evening August 27. Mr. and Mrs. William Ambuehl parents, Mr. and Mrs. Merle Ambuehl brother and wife, and Hershel Ambuehl an uncle of Miss Ambuehl, all of Farina also were present.

Mrs. Hugo Neithammer will be hostess to the WSCS of the Methodist church in her home this afternoon.

Mrs. Amanda Garms of Champaign is spending this week with her daughter Mrs. Milton Geuther and family.

Mr. and Mrs. George Baile and family of Chicago have moved into the Geuther flat.

Mrs. John Jahnke, who was a surgical patient in Silver Cross hospital, returned home Tuesday.

Mr. and Mrs. George Arnold of Ravenswood, Mr. and Mrs. John Arnold of Beverly Hills spent the week end with their sister, Mrs. Margaret Bechstein. Mr. and Mrs. Robert Arnold of Beverly Hills spent Sunday with this group.

The Youth Fellowship group of the Methodist church will hold their first meeting of this fall season in the church next Sunday evening September 12 at 6:30 o'clock. Mrs. Arthur Shoop is the leader.

Mr. and Mrs. Roy Kohl have returned from a motor trip in the west.

Morry Larson and Robert Kreml returned to Mokena Monday night from their motor trip taking Mrs. Larson and daughters to Phoenix, Ariz. where they expect to make their home. Mr. Larson will join his family later. On the round trip they covered 4160 miles making additional trips to the Painted Desert, to the South mountains of Arizona and other places.

Mrs. Ellen Kotoia, teacher of first and second grades of Orland Park public school and who makes her home with Mr. and Mrs. Edward Schmidt, called at the News-Bulletin office Tuesday evening with Mrs. John Weinland and enjoyed a short visit.

Mr. and Mrs. Bert Spiess and Mr. and Mrs. Harvey Spiess of Joliet were supper guests in the Harold Spiess home Sunday.

Mr. and Mrs. Theodore Oestreich of Joliet were guests of the former's sisters Mrs. Hugh Deadmore and Mrs. Margaret Semmler and family Sunday afternoon. Mr. Oestreich was severely injured in an auto accident eight weeks ago, sustaining three fractures in the pelvic bone. This was the first visit of the Oestreich's to Mokena since then, Mr. Oestreich driving.

The condition of Gordon Benson who was injured in an auto accident five weeks ago, is better. He received injuries which threw his left hip out of joint and a chip on the hip bone. Gordon is staying with his parents, and his mother Mrs. Anton Benson is caring for him. He is able to be around a little on crutches now, but continues to suffer some pain as yet.

Mr. and Mrs. Albert Petras of Maywood were recent guests of Mr. and Mrs. Bert Spiess.

## The Man for the Job

Lesson for September 12, 1948

HISTORY KNOWS some men only by their nicknames. Stalin is a nickname, so was Charlemagne. And so is Barnabas, one of the best of the early Christians. The apostles nicknamed him "Barnabas" and the name stuck, for it means "Son of Encouragement," and Barnabas' specialty was encouraging people who badly needed it.

Barnabas was not a brilliant man, perhaps not even a strong one, though he had an impressive "front." On a journey in the back districts the natives would take him for Zeus, king of all the gods. But it was not his looks that were important, it was his big heart.

When Saul was converted, there was an awkward situation when that young convert went back to Jerusalem. The little society of Christians there knew Saul for a tiger. They had suffered at his hands, they had seen their friends dragged off by his henchmen. So when Saul showed up among the very people he had terrified, when he not only showed up but claimed to be one of them, no wonder they were frightened.

All but Barnabas. Somehow or other shall we say it was God's Spirit in him? Barnabas was not afraid. He took Saul the Terrible by the hand, he introduced him to the church leaders, he told them his story, he sponsored Saul as we would say.

### An Eye for God

AFTER THAT EXPERIENCE with Saul, Barnabas' friends came to think of him as a man who could probably see the good in any man or situation if there was any good to be seen. So when the headquarters church in old Jerusalem heard of a novel sort of church down in Antioch, they sent this "Son of Encouragement" down to see what went on. It was certainly no church on the Jerusalem pattern; was it a good one, or even a genuine church at all? Barnabas would know. And so he did.

Other men could see the large number of church members in Antioch; others could give you statistics about its rate of growth; others could tell you it was bi-racial, a daring experiment then as now. Some applauded, some raised their eyebrows.

But we read that Barnabas had eyes in his soul as well as in his head. What he saw, as he looked at that stirring new church with its new ways, was "the grace of God." All of us can see things on the surface, we can count noses, we can make reports for the papers. But seeing underneath, seeing the grace of God (or the need of it)—that is not so easy. Wanted for every church: A Barnabas!

### Round Peg—Round Hole

WHEN BARNABAS had taken stock at Antioch he knew the place needed a man, and he knew the man for the place. Off he went across the Taurus mountains to Tarsus, where Saul was doing nothing particular, and he brought Saul to Tarsus and set him to work. Saul turned out to be, as Barnabas expected, the round peg for the round hole.

That team was a "natural"—but only Barnabas would have thought of it. Paul fitted in with the church, too. A tireless worker, he was just the man for that vital growing congregation. Getting the right people for the right jobs is still one of the big problems of the Christian church. Many a Sunday school class, for instance, now is withering on the stalk, only because the Sunday school superintendent has never found the right teacher.

### The Hands of the Church

THE TIME came when Barnabas and Saul were sent out by that same Antioch church to be the first foreign missionaries ever deliberately sent out by any Christian church. The hands of the church were laid on them before they left.

To this day, when a man is set apart, by ordination, for a particular work in the Christian church, hands are laid upon his head. This is more than an antique ceremony, there is more than magic in it.

The laying on of hands may mean different things to different churches, but this at least it always means: The men so ordained are now the hands of the churches they represent.

## All Stars Play at Midlothian Sept. 12

Now that the 1948 season of the Southwest Suburban baseball B league is history, and in the records, with Midlothian taking top honors, an all star game against the champions is in order. This game will be played at Midlothian Sunday, Sept. 12, game time at 2:30 p.m. The Midlothian diamond is located at 151st and Crawford ave.

This game undoubtedly will be a thriller and well worth seeing as the all stars consist of such outstanding players as Ludwig of Orland, Firehau of Tinley Park and Danlow of Stickney as the pitchers. The catching will be taken care of by Tuttle of Orland, Matitis of Stickney and Gerdes of Oak Forest.

Marzyn of Grandview will be guardian of the initial sack, at the Keystone station Kramer of Orland will be cavorting around, and at the hot corner, Bulow of Oak Lawn will be digging those fast lines out of the dirt.

Those flashes going to the right and left at short stop will be Cummins of Tinley Park and DuBois of Stickney. Gambling in the outfield will be such an array of talent as Waligore and Mysliviec of Phoenix, Trumphy of Oak Park and Anderson of Tinley Park.

Plan to make this a "must" date on your calendar as this is the game you will remember and talk about for time immemorial.

Busch Motor Sales 6,  
North Harvey A. C. 5

In a game that proved close and interesting thru out, with Tuttle providing the winning punch in the last half of the 9th, the Busch Motor Sales on Labor Day labored to a hard fought victory over the strong North Harvey Athletic club by a score of 6 to 5.

Pitchers on both teams were in strike out form. Ludwig of Orland had 11 victims while Savino of Harvey had 10 men on his list. After Harvey went out 1, 2, 3 in the 1st inning, Busch's put a run over the plate when after two were out Tuttle singled and on the hit and run, scored when W. Keuch hit a pretty double to left center.

In the third inning Harvey tied it at 1 all, on a double by Voss and a single by Dolph. Busch's took the lead in the fourth inning. W. Keuch's single, a stolen base and a fly to center by Schmaedeke advanced him to third. Here the brotherly act was performed when W. Keuch scored on a perfect squeeze play by N. Keuch.

Harvey tied it again at 2 all in the 5th inning on singles by Peterson, Dolph and Nelson. In their half of the 5th inning the Motor Boys went into high, Ludwig led off with a double, Kramer flied to left, Homerding doubled, Tuttle survived on an error, and W. Keuch's third hit a double, were good for runs.

In the 6th inning for Harvey, Goetz led off with a hit, was forced at 2nd by Johnson, Savino was hit by a pitched ball. On Peterson's hit Johnson scored. Dolph grounded to Homerding who made a nice play for the put out. Savino scoring on the play, Nargis fanned for the 3rd out. In the 7th inning, two would-be runs were snuffed out at the plate on some able baseball by Busch's. Nelson for Harvey was safe on an error, Dussalt walked on Wilke's hit to right, Brown made a perfect relay in where Ludwig took the throw and tossed to Tuttle for the put out at the plate, Dussalt going to third and Wilke to second. Dussalt tried to score on a short passed ball but Ludwig being on the job, covered the plate for the put out.

Goetz was hit by a pitched ball, Johnson supplied the third out when he grounded to Ludwig. Going into the 9th inning with the score 5 to 4 against them, Harvey once more tied it, after two were out Goetz walked and stole 2nd, Johnson singled the tying run home and stole 2nd and 3rd but was stranded there as Savino wiffed for the third out. With the game all tied up at 5 all in the last of the 9th inning Ludwig singled, Kramer hit to 3rd, Dussalt's throw was over the first baseman's head, the runners taking 2nd and 3rd bases, Homerding was given an intentional pass filling the bases. This is where Tuttle put the finishing touch to the ball game by driving in the winning run with his hit to center field.

(continued from page one)

clock when it started to rain. All were reluctant to leave until nearly midnight when no letup in the down pour was apparent.

The climax of the affair was the fireworks display. Although absolutely free, many onlookers were heard to remark that of all the fireworks they had paid to see, this free display surpassed them all, in size, length, power beauty and magnificence.

At the insistence of the audience, Tom Naples, was brought to the speakers platform and introduced. This "boy who never grew up" and still likes to make and shoot fireworks, used skill and good showmanship to keep onlookers in ooh's and aah's throughout the performance.

Many excellent pictures were taken by Foreman and Moe commercial photographers. Those desiring souvenir pictures should view their selection and purchase them direct at their office in the Tinley Park Times building.

Members of the Festival committee and officers of the Recreation commission thank the business men for the many fine contributions of prizes, the loyal workers who manned the booths, and the host of friends who patronized the festival.
